

Cross the Line (XTL)

Youth Workforce Development Program

The program is a 16-week (September-December 2017) program focused at building LGBTQ and Ally leaders in the workforce from ages 16-24 in metro Detroit. The youth will spend 4 weeks on soft skills, learning communication, resume writing, interview skills, professionalism, working as an LGBTQ person, and other interactive exercises. The remaining 12 weeks youth will work with a Business Advisory Council (BAC) to design, merchandise, lead, and staff the Affirmations' store. The BAC members come from private and public organizations.

The program begins September 18th at 4:30p and will take place on Mondays and Wednesdays from 4:30-7:30p weekly at Affirmations. Youth will be hosting special events, open-mic nights, and other community-focused events.

Youth will receive monthly personal stipends, monthly transportation stipends, and food at each session.
