

Youth Leadership and Development Program

The program is a 16 Week (September 2020 - December 2020) program focused at building LGBTQ and Ally leaders from ages 13-22 in metro Detroit. Topics discussed will surround LGBTQ Youth Advocacy and Career Development Skills.

The program begins virtually on Monday, September 14th and will have two Zoom meetings per week from 4:30-6:00pm on Tuesdays and Wednesdays. There will be learning modules in addition to the virtual meetings that can be completed in one's own time. Youth in the program will also be asked to help plan a day-long, virtual retreat that will be hosted in December as part of their hands-on learning project.

Youth will receive monthly personal stipends for their participation in the form of gift cards, and the process to receive these will be covered in the first week of the program.
